

SHANGYION

双盈电气技术有限公司  
SHANGYION ELECTRIC TECHNOLOGY CO., LTD

服务至上，真挚服务，只为您的满意  
Service first, sincere service, only for your satisfaction

# 公司简介

## COMPANY PROFILE

双盈电气技术有限公司成立于 2008 年，注册资本 8008 万元，总部位于深圳市光明新区，厂房占地面积 7000 多平方米；于广东佛山自建 50000 多平方米分公司，专注高低压成套设备的研发、制造与销售。公司汇聚 20 余名 10 年以上行业经验的技术骨干，较早采用 3D 软件运动仿真设计产品，以严谨创新的态度、精益求精的技术服务，推动产品在国内电力等多元领域应用。配备进口激光切割、数控冲床、机器人焊接 CNC、自动化装配线、屏蔽局放真空箱检测、工频耐压等先进生产检测设备，筑牢品质根基。

公司构建了覆盖管理、产品、可持续发展的多维认证体系：

◆国际管理体系认证：通过ISO 9001:2015 质量管理体系认证；获得ISO 14001:2015 环境管理体系认证；取得ISO 45001:2018 职业健康安全管理体系认证。

◆产品权威认证：中低压配电设备、电动汽车充电桩等获国家强制性 3C 认证；光伏逆变器通过TÜV Rheinland 认证（符合 IEC 62109 安全标准、IEC 61727 性能标准），部分设备取得CE 认证，畅行欧洲市场。

◆可持续发展认证：获评绿色工厂评价认证证书，厂房采用光伏 + 储能供电，生产工艺环保升级；持有产品碳足迹证书，符合 ISO 14067 国际标准，为客户碳中和目标提供助力。

作为国家级“高新技术企业”“AAA 级资信企业”，双盈电气以认证为背书，持续输出高品质电气设备与解决方案，驱动能源领域创新发展与绿色变革。

Shuangying Electric Technology Co., Ltd. was founded in 2008 with a registered capital of 80.08 million yuan. Its headquarters is located in Guangming New District, Shenzhen, covering an area of over 7,000 square meters. The company has established a subsidiary in Foshan, Guangdong, with more than 50,000 square meters dedicated to the research, development, manufacturing, and sales of high and low voltage complete equipment. The company has gathered over 20 technical experts with more than 10 years of industry experience and was one of the early adopters of 3D software for motion simulation design. With a rigorous and innovative attitude and a commitment to excellence in technical service, Shuangying Electric promotes the application of its products in various fields, including the domestic power sector. The company is equipped with advanced production and testing equipment, including imported laser cutting machines, CNC punching machines, robotic welding CNC, automated assembly lines, shielding partial discharge vacuum box testing, and power frequency withstand voltage testing, which ensures a solid foundation for quality.

Shuangying Electric has established a multidimensional certification system covering management, products, and sustainable development:

◆International Management System Certification: The company has obtained ISO 9001:2015 Quality Management System certification, ISO 14001:2015 Environmental Management System certification, and ISO 45001:2018 Occupational Health and Safety Management System certification.

◆Product Authority Certification: Its low and medium voltage power distribution equipment and electric vehicle charging stations have obtained the mandatory national 3C certification. The photovoltaic inverters have passed TÜV Rheinland certification (meeting IEC 62109 safety standards and IEC 61727 performance standards), and some products have obtained CE certification, allowing them to enter the European market.

◆Sustainable Development Certification: The company has been awarded a green factory assessment certification, with its factory utilizing photovoltaic and energy storage for power supply and environmentally upgraded manufacturing processes. It holds a product carbon footprint certificate, in compliance with the ISO 14067 international standard, assisting customers in achieving their carbon neutrality goals.

As a national-level "High-tech Enterprise" and "AAA-rated Credibility Enterprise," Shuangying Electric leverages its certifications to continuously deliver high-quality electrical equipment and solutions, driving innovative development and green transformation in the energy sector.
